

PROTESTER

Meaning: A protester is a person who publicly demonstrates or expresses dissent against policies, laws, or actions, typically advocating for change.

1. The protester raised his voice against the unjust laws that were being imposed.
2. A group of protesters marched through the city, demanding climate action from their leaders.
3. The police arrested several protesters after clashes broke out during the demonstration.
4. Each protester carried a sign that boldly stated their cause, drawing attention from passersby.
5. The activist was known for her passionate speeches, inspiring many new protesters to join the movement.
