

# PROVINCIALIZE

*Meaning: To provincialize means to adapt or modify something, such as a narrative or story, to emphasize local cultures, customs, or perspectives, often making it more relevant to specific regional audiences.*

1. The committee aimed to provincialize the national narrative to reflect local cultures.
2. By focusing on regional dialects, the author sought to provincialize the story and make it more relatable.
3. Efforts to provincialize the education system resulted in curricula that better addressed community needs.
4. The documentary sought to provincialize the historical account by including perspectives from marginalized groups.
5. To provincialize the debate, the speaker emphasized the importance of local governance in decision-making processes.
