PROVISO

Meaning: A proviso is a condition or stipulation that qualifies an agreement or contract.

1. The contract was signed with a proviso that all parties would meet again in six months to review progress.

2. She agreed to lend him the money, but only with the proviso that he would repay her by the end of the year.

3. The proposal was accepted, albeit with the proviso that additional funding would be secured first.

4. He accepted the job offer, with a proviso that he could work remotely two days a week.

5. The committee approved the project, subject to the proviso that community feedback would be incorporated into the final plan.
