

PROWLER

Meaning: Prowler: a person who moves stealthily or secretly, often with the intent to commit a crime or engage in suspicious behavior.

1. The prowler moved silently through the shadows, searching for an opportunity.
2. Neighbors reported seeing a mysterious figure acting suspiciously, raising concerns about a prowler in the area.
3. The sound of footsteps outside her window made her heart race, fearing it was the prowler everyone had been talking about.
4. After the police alerted the community, residents were advised to keep their doors locked against the prowler.
5. During the night, the prowler was caught on camera, prompting a neighborhood watch meeting to discuss safety measures.
