

# PSEUDEPIGRAPHY

*Meaning: Pseudepigraphy refers to the practice of falsely attributing a work, particularly a literary or religious text, to a well-known author or figure.*

1. Pseudepigraphy often raises questions about the authenticity of ancient texts.
2. Many scholars debate the implications of pseudepigraphy on biblical literature.
3. The phenomenon of pseudepigraphy can provide insight into the literary practices of the time.
4. Some historical figures are attributed works that are actually examples of pseudepigraphy.
5. Understanding pseudepigraphy is crucial for the study of authorship in classical writings.
