

PSYCHICS

Meaning: Psychics are individuals who claim to possess extrasensory perception or intuitive abilities to perceive information beyond normal sensory contact, often related to predicting the future.

1. Many people are fascinated by psychics and their claimed abilities to predict the future.
2. In the small town, the local psychics often held sessions that attracted curious visitors.
3. Skeptics argue that psychics rely on cold reading techniques rather than genuine supernatural insights.
4. During the festival, a panel of psychics discussed their views on intuition and spiritual connections.
5. Some individuals believe that psychics can provide comfort and guidance during difficult times.
