

PURGERY

Meaning: Purgery refers to the act of lying or deceit during legal proceedings, particularly in a way that challenges moral integrity.

1. The concept of purgery highlights the moral dilemmas faced during intense legal battles.
2. In a world where honesty is prized, purgery can lead to severe consequences for those who choose deception.
3. Purgery not only undermines the integrity of the legal system but also erodes public trust in judicial outcomes.
4. Witnesses who commit purgery may find themselves facing harsher penalties than the original offense they sought to conceal.
5. Legal experts warn that purgery can have lasting repercussions on one's reputation and credibility.
