PURPRESTURE

Meaning: Purpresture refers to the unlawful encroachment or occupation of land, especially in a way that infringes upon the rights of others or affects public property.

1. The purpresture of the park encroached upon the neighboring properties, causing a dispute among the residents.

2. Local authorities were concerned about the purpresture affecting the riverbank, as it could lead to environmental degradation.

3. After extensive discussions, the committee addressed the purpresture issue by proposing a new zoning plan.

4. The purpresture of the construction site raised alarms about potential legal violations and safety hazards.

5. Residents filed a complaint regarding the purpresture, arguing that it infringed on their property rights.
