

QUARTER-DECK

Meaning: Quarter-deck: the raised area on a ship, typically located at the stern, where the captain and crew conduct official business and ceremonies.

1. The captain addressed the crew from the quarter-deck, outlining their mission for the voyage ahead.
2. Sailors gathered on the quarter-deck to perform the morning flag-raising ceremony.
3. During the drill, the lieutenant barked orders from the quarter-deck to maintain discipline among the ranks.
4. The sun was setting beautifully over the ocean as the crew relaxed on the quarter-deck after a long day at sea.
5. Traditionally, the quarter-deck is considered a sacred space aboard a ship, reserved for official ceremonies and gatherings.
