

RAPAREE

Meaning: RAPAREE: A person, often a rogue or outlaw, who operates stealthily, typically in a rural or forested area, often associated with acts of resistance or defense against oppressors.

1. The raparee moved silently through the forest, blending in with the shadows.
2. Legends spoke of a brave raparee who defended his village against invaders.
3. With each step, the raparee felt the weight of his responsibilities on his shoulders.
4. In the tales of old, the raparee was often seen as both a hero and a rogue.
5. The raparee's cunning and agility were unmatched in the wild landscapes he roamed.
