

RAYLESS

Meaning: Rayless: lacking light or brightness; dim or dark.

1. The landscape felt eerily rayless as the storm clouds gathered ominously overhead.
2. In the rayless depths of the cave, we relied on our flashlights to guide us through.
3. Her rayless expression revealed the weight of her unspoken thoughts.
4. The rayless evening sky mirrored the somber mood of the gathering crowd.
5. As winter approached, the once vibrant garden lay rayless and barren, awaiting spring's return.
