

REACCUSE

Meaning: Reaccuse: to formally challenge or disqualify a witness or expert from testifying in a legal proceeding, typically due to new evidence or concerns about their credibility.

1. The prosecutor decided to reacuse the expert witness after new evidence came to light.
2. In a surprising turn of events, the defense team chose to reacuse a key eyewitness to strengthen their case.
3. After further investigation, the attorney felt it necessary to reacuse himself from the case due to a conflict of interest.
4. The judge allowed the plaintiff to reacuse the juror who had previously expressed bias during the selection process.
5. Following the discovery of a potential bias, the committee agreed to reacuse the member from the decision-making panel.
