

# REAPER

*Meaning: REAPER: A person or machine that harvests crops, particularly grain, or a symbolic figure representing death.*

1. The reaper glided silently through the fields, gathering the golden wheat under the setting sun.
2. In folklore, the reaper is often depicted as a grim figure, symbolizing death and the end of life.
3. Farmers relied on the traditional reaper before modern machinery revolutionized agriculture.
4. The eerie sound of the reaper's scythe echoed in the stillness of the night, sending shivers down my spine.
5. Many cultures celebrate the harvest season, paying homage to the reaper as a guardian of the crops.
