

RECLAIMLESS

Meaning: Reclaimless refers to property or assets that, after a specified period without claim by the original owner, are deemed to belong to the state or another entity.

1. The concept of reclaimless property often confuses new homeowners.
2. In certain jurisdictions, reclaimless assets can become the state's property after a designated period.
3. The artist's exhibit explored the theme of reclaimless memories and the passage of time.
4. Many advocates argue that reclaimless land should be returned to indigenous populations.
5. Reclaimless rights are a contentious issue in discussions about environmental conservation.
