

RECONTINUANCE

Meaning: Recontinuance refers to the act of rescheduling or postponing a legal proceeding to a later date, allowing additional time for preparation or consideration.

1. The court granted a continuance of the trial to allow both parties more time to prepare their cases.
2. After reviewing the evidence, the judge decided that a continuance was necessary to ensure a fair hearing.
3. The attorney requested a continuance due to unforeseen circumstances that hindered their ability to present the case.
4. In response to the new findings, the committee voted unanimously in favor of a continuance to further investigate the matter.
5. The continuance of the project was celebrated by the team, as it provided them with the chance to refine their approach.
