

# REDDOUR

*Meaning: Reddour refers to a reddish hue or glow, particularly in the context of light or color, such as that seen during a sunset or on the surface of the earth after rain.*

1. The reddour of the sunset cast a warm glow over the horizon.
2. After the rain, the reddour of the earth was a sight to behold.
3. She noticed a reddour on his cheeks that suggested he was blushing.
4. The artist captured the reddour of the autumn leaves in his painting.
5. As the fire crackled, a reddour filled the room, creating a cozy ambiance.
