

# REECHY

*Meaning: Reechy (adjective): having a strong, unpleasant, and often moldy or decayed smell.*

1. The abandoned house had a reechy smell that lingered in the air, making it hard to breathe.
2. After the old car sat unused for years, it developed a reechy odor that made it impossible to sit inside.
3. The reechy scent of spoiled food hit her as she opened the fridge, prompting an immediate clean-out.
4. He wrinkled his nose at the reechy stench coming from the neglected fish tank in the corner.
5. Despite the beautiful view, the reechy aroma of the nearby swamp made the picnic unbearable.
