

REFUSER

Meaning: Refuser: a person who declines or rejects an offer, request, or suggestion, often maintaining their position despite external pressures.

1. The refuser stood firmly by their decision, despite the pressure from their peers.
2. In negotiations, the refuser's steadfastness often led to a more favorable outcome.
3. As the deadline approached, the refuser remained unyielding, prioritizing principle over compliance.
4. Her role as a refuser in the project sparked discussions about ethical responsibilities.
5. The company faced backlash after labeling an employee as a refuser for voicing concerns.
