

REINS

Meaning: Reins are straps attached to a bridle used by a rider to control a horse.

1. The rider tightened the reins as the horse took off at a gallop.
2. She felt a sense of control when she grasped the reins firmly in her hands.
3. During the parade, the horses pranced proudly, their reins glimmering in the sunlight.
4. The coachman skillily maneuvered the carriage by tugging gently on the reins.
5. In moments of uncertainty, it's important to take the reins of your own life.
