RELEASOR

Meaning: Releasor: a person or entity that relinquishes or waives rights or claims, typically through a legal document.

1. The releasor signed the document to confirm the waiver of any future claims.
2. In the settlement agreement, the releasor agreed to release all rights to the disputed property.
3. It is essential for the releasor to fully understand the implications of the release before signing.
4. After the negotiations, the releasor felt confident that the terms were favorable.
5. The contract clearly defined the responsibilities of the releasor in terms of liability.
