

RELEGATION

Meaning: Relegation is the act of being moved to a lower division in a sports league due to poor performance.

1. The team's poor performance throughout the season led to their relegation to a lower division.
2. Relegation can be a devastating blow for clubs that have invested heavily in their squads.
3. Fans were heartbroken after their favorite team faced relegation for the first time in decades.
4. The threat of relegation loomed over the club as they entered the final weeks of the season.
5. Relegation often results in significant financial losses and a major restructuring of the team.
