RELESSEE

Meaning: RELESSEE: A person or entity that receives the right to use or occupy a property under a lease agreement from the lessor.

1. The relessee must adhere to all terms outlined in the lease agreement.
2. Before signing, the relessee should thoroughly review the property condition report.
3. In the event of damage, the relessee is responsible for notifying the lessor promptly.
4. The relessee has the right to sublet the property with prior written consent from the lessor.
5. To avoid disputes, the relessee should keep detailed records of all communication with the lessor.
