

REMITMENT

Meaning: Remittance: a sum of money sent, often by a foreign worker, to support family or cover expenses in their home country.

1. The remittance arrived just in time to cover the unexpected expenses.
2. Her remittance from abroad was a welcome addition to their household budget.
3. He had to ensure the remittance was processed before the deadline to avoid penalties.
4. After the remittance was sent, he felt a sense of relief knowing his family was supported.
5. The company was grateful for the timely remittance, which helped maintain their cash flow.
