

RENRANT

Meaning: Renrant: a person who returns to live in a previously occupied rental property.

1. The landlord was pleased to welcome the new renrant, who had recently moved back to the city after several years abroad.
2. As a former tenant, the renrant was familiar with the building's quirks and was eager to make it feel like home again.
3. The property management team organized a meet-and-greet to help the renrant connect with their neighbors.
4. Despite being a renrant, she quickly established herself as an active participant in the building's community events.
5. The renrant signed a one-year lease, looking forward to settling down in the vibrant neighborhood.
