

REPROBATER

Meaning: Reprobater: a person who expresses strong disapproval or criticism, often challenging societal norms or advocating for the marginalized.

1. The reprobater's harsh critique left the artist questioning her own talent.
2. In a society that often shuns dissent, the reprobater became a voice for the marginalized.
3. His role as a reprobater revealed the deep-seated issues within the community.
4. The reprobater's judgment was swift, but it sparked a necessary conversation among peers.
5. Many viewed him as a reprobater, yet his intentions were to promote growth and accountability.
