

REREDOS

Meaning: Reredos: a decorative screen or partition, often elaborately carved or painted, placed behind an altar in a church.

1. The intricate reredos behind the altar captivated the congregation with its detailed carvings.
2. As she studied the reredos, she marveled at the artistry that brought the biblical scenes to life.
3. The church's reredos was restored to its former glory, showcasing vibrant colors and textures.
4. During the service, the light streaming through the stained glass illuminated the reredos beautifully.
5. Visitors often paused to admire the historical significance of the reredos in the old cathedral.
