

RESERVEE

Meaning: Reservee: a person who is reserved or shy, often preferring to observe rather than actively participate in social interactions.

1. The new student was quite the reservee, often choosing to observe rather than engage in conversations.
2. Despite being a reservee at first, she gradually opened up to her classmates and made lasting friendships.
3. His reservee nature made it difficult for him to express his emotions, even among close friends.
4. As a reservee, she found solace in writing, which allowed her to articulate her thoughts more freely.
5. Though he appeared as a reservee, his mind was always racing with creative ideas and insights.
