

# RESERVIST

*Meaning: A reservist is a member of a military reserve force who is not in active service but can be called to duty when needed.*

1. The reservist was called to active duty to support the military's response to the crisis.
2. After years of training, the reservist felt prepared for any challenges that might arise.
3. Many reservists balance civilian careers while serving part-time in the armed forces.
4. During the annual drill, the reservist demonstrated impressive skills and leadership qualities.
5. The community held a ceremony to honor the sacrifices made by local reservists.
