

RESETTLEMENT

Meaning: Resettlement refers to the process of relocating individuals or groups, often refugees or displaced persons, to a new area or community after they have been forced to leave their original homes.

1. The government announced a new program for the resettlement of refugees displaced by conflict.
2. After the natural disaster, many families faced the challenging process of resettlement in unfamiliar areas.
3. The organization specializes in providing resources and support during the resettlement of displaced communities.
4. Resettlement efforts can greatly improve the quality of life for those who have been forced to flee their homes.
5. Community involvement is crucial for the success of any resettlement initiative aimed at integrating newcomers.
