

RESHIPMENT

Meaning: Reshipment refers to the process of sending goods again, typically after an initial shipment has encountered issues or delays.

1. The reshipment of goods was delayed due to adverse weather conditions.
2. We received confirmation that the reshipment would arrive by the end of the week.
3. After the initial shipment was lost, the company arranged for a reshipment at no extra cost.
4. Customers were notified about the reshipment process to ensure transparency.
5. The reshipment included all items that were previously out of stock.
