

RESUMMONS

Meaning: Resummons: a legal order to summon someone again to appear in court, typically after new developments or a postponement.

1. The court issued a notice for the resummons of the defendant after new evidence emerged.
2. After the initial hearing was postponed, the judge scheduled a resummons for the following month.
3. The attorney argued that the resummons would allow them to present additional witnesses.
4. In light of the recent developments, the resummons was deemed necessary to ensure a fair trial.
5. The plaintiff's request for a resummons was granted, prompting an immediate response from the defense.
