

# REVESTIARY

*Meaning: Revestiary: a room or area in a building, particularly in a library or cathedral, used for gatherings or discussions, often richly decorated and significant in purpose.*

1. The ancient library featured a grand revestiary where scholars would gather to discuss philosophy.
2. In the cathedral, the revestiary was adorned with intricate carvings that told the story of the saints.
3. After the ceremony, the priests retreated to the revestiary to prepare for the evening service.
4. Visitors were mesmerized by the stained glass windows that illuminated the revestiary with vibrant colors.
5. The museum's exhibition included artifacts from the medieval revestiary, showcasing the craftsmanship of that era.
