

# RIMEY

*Meaning: RIMEY (adjective): covered with frost or ice, creating a shimmering, white appearance.*

1. The rimey branches glistened in the early morning light, creating a magical winter scene.
2. As we walked through the rimey landscape, the crunch of frost underfoot echoed in the stillness.
3. The artist captured the beauty of the rimey terrain in her latest painting, showcasing nature's delicate artistry.
4. Frost formed a rimey coating on the windows, transforming the mundane view into a sparkling wonderland.
5. On cold mornings, the fields would often be blanketed in a rimey layer, glistening like diamonds in the sun.
