

RIPIENIST

Meaning: A ripienist is a musician in a Baroque ensemble who plays the supporting, non-solo parts to enhance the harmonic texture of the performance.

1. The ripienist played beautifully alongside the soloist, enriching the overall performance.
2. In Baroque music, the role of the ripienist is crucial for filling out the harmonic texture.
3. As a skilled ripienist, she seamlessly blended her sound with the rest of the ensemble.
4. The ripienist's contributions often go unnoticed, yet they are essential for the piece's fullness.
5. During the rehearsal, the conductor emphasized the importance of the ripienist in maintaining the group's cohesion.
