

ROASTING

Meaning: Roasting is the process of cooking food, especially by exposing it to dry heat, often resulting in a browned exterior and enhanced flavor, as seen with coffee beans or marshmallows.

1. The aroma of roasting coffee beans filled the entire kitchen.
2. She spent the afternoon roasting marshmallows over the campfire.
3. Roasting vegetables brings out their natural sweetness and flavor.
4. They enjoyed roasting each other in good fun during the family gathering.
5. The chef recommended roasting the chicken to achieve a crispy skin.
