

ROGATION

Meaning: Rogation refers to a religious observance involving prayers and rituals, typically held to ask for God's blessing on crops and the agricultural season.

1. The village held a traditional rogation to bless the crops before the planting season.
2. During the rogation service, the community gathered to pray for a bountiful harvest.
3. Rogation days are marked by processions and prayers in many rural parishes.
4. As spring approached, the church organized a rogation walk to invoke divine favor on the fields.
5. The custom of rogation reflects the deep connection between agriculture and spirituality in many cultures.
