

ROUGH-GRAINED

Meaning: Rough-grained refers to a texture that is coarse or uneven, often seen in materials like wood or skin, suggesting a natural, rustic quality or the effects of hard labor.

1. The table was made of rough-grained wood, giving it a rustic charm.
2. Her rough-grained hands told the story of years spent working outdoors.
3. The artist preferred a rough-grained canvas to add texture to her paintings.
4. In the rough-grained fabric of the curtains, the sunlight created a beautiful play of shadows.
5. He admired the rough-grained texture of the stone wall, which added character to the old building.
