

ROUNDABOUTNESS

Meaning: Roundaboutness refers to the quality of being indirect or circuitous in speech or explanation, often leading to confusion rather than clarity.

1. The roundaboutness of his explanation left everyone more confused than informed.
2. In the meeting, her roundaboutness made it difficult to grasp her main point.
3. He appreciated the roundaboutness of the conversation, which allowed for deeper insights.
4. The artist's roundaboutness in his storytelling added layers to the narrative.
5. While the topic was complex, the roundaboutness of the discussion was surprisingly engaging.
