

RUSK

Meaning: Rusk is a hard, dry biscuit or twice-baked bread, commonly eaten as a snack or breakfast item, often paired with beverages or spreads.

1. Rusk is often enjoyed as a crunchy snack alongside tea or coffee.
2. In some cultures, rusk is a staple breakfast item, often served with butter or spreads.
3. The bakery specializes in artisan rusk, offering various flavors from classic to exotic.
4. After baking, the bread is dried out to achieve the perfect crispness characteristic of rusk.
5. Homemade rusk can be a delightful treat, especially when flavored with spices or herbs.
