

RUSSETING

Meaning: Russeting refers to the process of developing a brownish or reddish coloration on the skin of fruits or the surface of leaves, often due to ripening or seasonal changes.

1. The apples were left on the tree too long, resulting in a lovely russeting of their skins.
2. As autumn approached, the leaves began russeting, creating a stunning tapestry of colors.
3. She admired the russeting on the old barn, which added character to the weathered wood.
4. The artist captured the russeting of the landscape beautifully in her painting of the fall harvest.
5. His favorite part of the season was the russeting of the grapevines, signaling the start of wine production.
