

SABEISM

Meaning: Sabeism is discrimination or prejudice against individuals based on their age, often manifesting in social or professional settings.

1. Sabeism often manifests in the workplace, leading to discrimination based on age rather than qualifications.
2. The debate over sabeism highlights the need for more inclusive policies that respect all age groups.
3. Many activists are now focusing on fighting sabeism alongside other forms of social injustice.
4. In literature, themes of sabeism can be examined through the lens of generational conflict and understanding.
5. Addressing sabeism requires a cultural shift that values the experiences and wisdom of older individuals.
