

# SAGAMORE

*Meaning: SAGAMORE: A leader or chief, often among Native American tribes, who holds a position of authority and respect within the community.*

1. The sagamore stood as a symbol of leadership among his people, guiding them through difficult times.
2. During the ceremony, the sagamore delivered a heartfelt speech that resonated with all in attendance.
3. The sagamore's wisdom was sought by neighboring tribes, who respected his insight and diplomacy.
4. In the folklore of the region, the sagamore was often depicted as a wise elder with a deep connection to the land.
5. The community gathered to celebrate the sagamore's achievements and honor his lifelong dedication to their welfare.
