

SAITH

Meaning: 'Saith' is an archaic third-person singular form of the verb 'say', meaning to express or state something.

1. The ancient text saith that wisdom comes from experience and patience.
2. In the old poem, it saith that love conquers all obstacles and hardships.
3. The oracle saith that the chosen one will rise when the stars align.
4. As the sage saith, "Knowledge is a treasure that no thief can steal."
5. The inscription on the wall saith to seek truth above all else.
