

SALEB

Meaning: Saleb is a traditional Turkish beverage made from the powdered tuber of the orchid plant, known for its warm, creamy texture and often enjoyed in winter.

1. The warm, creamy texture of saleb makes it a perfect winter drink.
2. In Turkey, saleb is often sold by street vendors during the cold months.
3. We enjoyed a steaming cup of saleb while wandering through the snow-covered market.
4. The fragrant blend of orchid tubers and spices in saleb is incredibly comforting.
5. During our trip, we learned that saleb is traditionally garnished with cinnamon and nuts.
