

# SALTLESS

*Meaning: SALTLESS: lacking salt or seasoning, resulting in a bland flavor.*

1. The chef was disappointed to find the soup completely saltless, lacking the essential flavor it needed.
2. Despite being saltless, the dish was surprisingly delicious, thanks to the blend of fresh herbs.
3. He preferred his food saltless, believing it allowed the natural flavors to shine through.
4. The saltless crackers were a healthier alternative, catering to those on a low-sodium diet.
5. In a world where taste often relies on seasoning, a saltless meal can be a refreshing change.
