

# SANCTUS

*Meaning: Sanctus is a liturgical hymn or chant in Christian worship, typically expressing praise and holiness, often sung during the Eucharistic celebration.*

1. The choir sang the Sanctus with such reverence that it filled the cathedral with a sense of peace.
2. During the mass, the congregation stood in awe as the Sanctus rang out, elevating the spiritual atmosphere.
3. In the classical composition, the Sanctus is often accompanied by a rich orchestral arrangement that enhances its beauty.
4. The text of the Sanctus, which proclaims the holiness of God, has been a staple in Christian liturgy for centuries.
5. As the organ played the familiar melody, the faithful joined together in harmony for the Sanctus, celebrating their shared beliefs.
