

SANDEMANIANISM

Meaning: SANDEMANIANISM is a theological doctrine that stresses personal faith and individual interpretation of scripture, often associated with the teachings of Robert Sandeman.

1. The philosophy of SANDEMANIANISM emphasizes personal faith and the importance of individual interpretation of scripture.
2. Many scholars debate the historical origins of SANDEMANIANISM and its impact on modern religious movements.
3. In the context of religious studies, SANDEMANIANISM is often discussed alongside other evangelical traditions.
4. The principles of SANDEMANIANISM promote a unique understanding of grace and accountability in the Christian faith.
5. Critics of SANDEMANIANISM argue that its teachings can lead to a misunderstanding of communal worship and fellowship.
