

# SANS-CULOTTE

*Meaning: SANS-CULOTTE: A member of the radical working-class movement during the French Revolution, characterized by their rejection of aristocratic dress and advocacy for the rights of the lower classes.*

1. The sans-culotte movement played a crucial role in the French Revolution, advocating for the rights of the working class.
2. Dressed in simple trousers instead of the aristocratic culottes, the sans-culottes symbolized a rejection of nobility.
3. Many historians argue that the sans-culottes were instrumental in pushing for radical social changes during the late 18th century.
4. The sans-culotte ideology emphasized equality and direct democracy, reflecting the desires of the lower classes.
5. In popular culture, the term 'sans-culotte' has come to represent any grassroots revolutionary movement seeking social justice.
