

SASTRUGI

Meaning: Sastrugi refers to sharp, irregular ridges or grooves formed on snow surfaces by wind erosion.

1. The sastrugi formed intricate patterns across the vast, windswept snowfield.
2. Navigating through the sastrugi was a challenge for even the most experienced mountaineers.
3. As the sun rose, the shadows cast by the sastrugi created a mesmerizing visual effect.
4. The harsh winter winds sculpted the ice into sharp sastrugi that cut through the landscape.
5. Photographers often seek out sastrugi for their unique and dramatic textures in winter scenes.
