

# SCHOOLHOUSE

*Meaning: A schoolhouse is a building used for educational purposes, typically serving as a place where students gather for instruction.*

1. The old schoolhouse stood at the end of the dusty road, a reminder of simpler times.
2. Children gathered in the schoolhouse every morning, eager to learn and play together.
3. After years of neglect, the community decided to restore the historic schoolhouse to its former glory.
4. The schoolhouse, with its red brick exterior and tall windows, was the centerpiece of the small town.
5. During the summer, the schoolhouse served as a venue for art classes and community events.
